Note: Benchmark institutions are large, comprehensive, Research I universities, many of which currently outrank Ohio State in various reputational surveys. Some data discrepancies between this and previous years' scorecards exist due to minor changes in reporting methodologies and error corrections.

*The Academic Plan Scorecard reports weighted average GRE scores for students enrolled in programs for which 90% or more of admitted students submitted GRE scores and GRE scores were required. The included programs vary slightly from year to year. The "OSU Change from Previous Reported Year" reflects the change for all programs meeting the criteria for inclusion in 2002.
