

The Ohio State University Strategic Goals

The six goals are the overarching University directives:

One University

We will adopt a 'One University' perspective in all decision making to create a culture where everyone is driven by a shared common vision and supports trans-institutional execution.

Students First

We will place Students First with access to academic excellence to ensure that the needs of students receive the highest priority as we continue to seek excellence in all phases of our operations.

Faculty and Staff Talent & Culture

We will further develop our highly diverse faculty, staff talent and create a high performance culture driven by common principles of excellence in accountability and achievement.

Research Prominence

We will achieve world class research prominence by supporting innovative, cutting edge, within and across discipline research that will be the basis for achieving excellence in all that we do.

Outreach and Collaboration

We will increase outreach and collaboration through public and public-private partnerships that will enhance our impact on the quality of life for citizens of the state, country and world.

Operational and Financial Soundness & Simplicity

We will establish operational and financial soundness along with simplicity in processes to ultimately be known for our robust financial position using transparent, simple, and flexible systems.
