

**Recommendations from Arts & Sciences Restructuring Report  
A Quick Summary by Gene Mumy**

- 1. Create an Executive Dean and Vice President for Arts and Sciences (ED below).**
  - a) Reports to the Provost.**
  - b) Is a member of the President's Planning Cabinet.**
- 2. Retain current structure of 5 colleges.**
- 3. ED recommends dean candidates to the provost.**
- 4. ED centralizes:**
  - a) Undergrad advising**
  - b) Development**
  - c) Space and facilities**
  - d) Communications (especially in undergrad recruiting)**
  - e) Outreach/engagement**
- 5. A Federation Curriculum Committee replaces ASCC, and college CCs are subcommittees**
- 6. ED should play important role in interdisciplinary research and graduate programs**
- 7. The ED is consulted and serves as a conduit to pass along P&T recommendations to the provost**
- 8. The ED has budgetary authority**
  - a) rebase college budgets**
  - b) own funds initially from OAA (so at start no college gets less than under the status quo)**
  - c) going forward the budget is from cost savings (?) and tax on incremental revenues to colleges.**
