Our picnic parties and cook outs are lots of fun!! We grill outside and serve directly from the grill. All selections are also available for “drop off only” service where we cook at our facility and drop it off at your event ready to eat or we can drop off with your main course ready for you to grill on either our equipment or yours. All menus include standard disposable plates, eating utensils and napkins. Staff charges, delivery and taxes may be additional (50 person minimum for full service events, 20 person minimum for drop offs.)
