On-Campus / Off-Premise Catering FAQ’s and Menu

Do you have minimum order requirements?
All prices listed are per guest unless otherwise indicated. We have a $125 food minimum for delivery Monday through Friday. Saturday we require a food minimum of $500 and Sunday $1000.

When do I need to place my order?
To provide ample time for planning for your menu and staffing, we prefer as much lead time as possible. A good rule of thumb is to let us know you have an event coming up so we can get you on our books, even if you aren’t sure what your catering menu or needs may be just yet. For large groups please plan to have menus and tentative counts planned with us three (3) weeks out; smaller orders may be placed at up to three (3) business days in advance.

When will my final guarantee be due?
Menus and the final number of expected attendees will be due five (5) business days prior to your event. If no guarantee is received, University Catering will consider the planned number on your event confirmation to be the correct guarantee number. All charges will be based on the guarantee or upon the actual number of persons served, whichever is greater. For the client’s convenience, below is a schedule for your guarantee due dates:

Do you charge for deliver or service?
A 20% service charge, labor, or delivery fees may apply to your event and will be included on your event confirmation. This is an estimate and may increase at final billing depending upon changes or requests that occur during your event.

Do I need to make a deposit?
Deposit terms will be included in your event confirmation. This will outline varying schedules and requirements for University Clients, Non-University Clients, Registered Student Organizations, and Social Event Clients. The client’s sales manager will be able to assist them with any questions regarding this information.

Can you provide custom menus and accommodate special dietary requests?
Our menu is just a sampling of what we can offer. We are a full service caterer and can provide custom menu options for any type of event. We are also happy to accommodate special dietary needs including Gluten-free, vegan, lactose-free, allergens - just let us know so that your event planner can work with our chef to provide options when planning your menu.

Can you provide bar service?
University Catering can provide limited hosted bar service at most campus venues, except on Sunday. Please allow 3 weeks for planning events with alcohol service. Some events may require special permitting, please contact us to discuss your event needs.

University departments must complete an authorization form available at universitycatering.osu.edu/posts/documents/authorization-to-serve-alcohol-request-form.pdf. All events must abide by Ohio State University’s policy on alcohol at http://dps.osu.edu/policy/campus_safety/osu_policy_on_alcohol.php

Are you a “green” caterer?
Our facility is a LEED Silver Certified Green Building and is designated as an official GreenSpot by the City of Columbus - www.columbus.gov/greenspot/. The majority of our business and post-consumer waste is recycled or pulped and diverted from landfills. Green disposables are provided for all events at no charge.

Where do you cater?
We can cater at most any campus location or venue on OSU Columbus Campus and can cater away from campus for University events. We have exclusive or preferred caterer at these campus venues - universitycatering.osu.edu/venues/
