Day 3 - REYKJAVIK - ‘Golden Circle’ Tour
The ‘Golden Circle’ tour is probably Iceland’s most popular day tour as it includes three of the best known attractions. The golden waterfall Gullfoss, is one of the most impressive waterfalls in Europe with thousands of tons of icy water thundering majestically into a deep canyon. The Geyser area has numerous hot springs and geysers, including the world known Strokkur. Pingvellir National Park, a UNESCO World heritage site, is where the world’s oldest democratic parliament was founded in 930. A beautiful canyon running through the park is the dividing fault line between two of the earth’s tectonic plates. Our excursion includes a visit to one of Iceland’s wool mills. Icelandic wool has a history that dates back to the earliest settlers who came to the island from Norway as early as the 9th century AD. The wool of Icelandic sheep is unique in that it contains two different types of hair that serve as a natural barrier from wet and cold weather. We return to Reykjavik for an evening at your leisure.

Day 4 - REYKJAVIK - South Shore Excursion

Take a walk behind the splendid wall of water of Seljalandsfoss Waterfall, go for a leisurely stroll along the black sand beach of Reynisfjara with its famous basalt columns and caverns, and see the Reynisdrangar cliffs, basalt rock stacks that rise from the sea. Icelandic legends say they are naughty trolls turned into rock by the rising sun. We end this great sightseeing tour with a stop at the Skógafoss Waterfall. Walk up to the thundering waterfall for a bird's eye view of the tumbling water and rainbows. The evening is free for you to make dinner plans with fellow travelers.
