THE WEDDING EXPERIENCE

THE PERFECT VENUE
Have you chosen a venue for the big day? Choose a location to get the wedding process started. There are many types of venues to choose from to best fit your style and create the perfect setting. View our list of venues to help find your perfect venue.

THE MENU
Impress your guests with one of our delectable menus. From Sit Down to Stations, The Berwick will help you find the perfect menu for your reception. We pride ourselves in serving fresh homemade food that your guests will remember for years to come.

THE TASTING
One of the favorite moments in the wedding planning process is the tasting. The Berwick provides complimentary tastings with flexible availability to work with your schedule. You can bring up to eight of your family and friends and try up to six entrees, eight sides, appetizers and the station menus as well. The tasting will give you a chance to taste some homemade Italian goodness as well as speak with one of the Susi family members to have all of your questions answered.

THE SETUP
The Berwick includes all of the linen tablecloths and napkins, china, silverware, glassware and skirting in the pricing to make the planning less stressful and to make it even better, we setup the entire reception!

THE SERVICE STAFF
Our service staff, bartenders, kitchen staff and a family member will be at the reception to ensure everything runs smoothly and your every need is met. From beginning to end, we make sure that everyone at the reception receives the best of service. ** See contract for staff hourly rates.

THE QUOTE
Need a price quote? Once the menu style is chosen, we can work with you to create an estimate for the big day. We will need to know the number of guests attending, time frame of the reception, bartender information, menu and budget to start the process. You are almost there....

THE BOOKING
We would be honored to be a part of your wedding. There are only two simple steps to book our catering services. A signed contract and deposit. You can speak with a member of the Susi family for more details.

THE FINAL DETAILS
The wedding is approaching and all of the details are coming together. Setup an appointment with a family member to get all of the details planned from table setup to the napkin colors. We are more than happy to help with any recommendations on room setup & decorations for the venue, alcohol amounts and timeline. We will take this time to ensure that no detail goes unnoticed.

THE BIG DAY
The day has finally arrived. The Berwick staff will setup the venue either the day before or the day of the reception to your specifications. We will arrive on-site the day of the reception to ensure that everything is ready upon your guests’ arrival and work through to guarantee everyone is satisfied and no one goes home hungry. At the end of the reception leave the cleaning to us. We will help ensure that everything is taken care of at the venue so you can continue enjoying the wedding experience even after the final dance of the evening.

Thank you for considering The Berwick to cater such a special day in your life.
