COLLEGE STUDENT SUPPORT EXPERIENCE

The Ohio State University, Dennis Learning Center

Columbus, OH

Graduate Academic Coach

2016 – Present

- **Academic Coaching.** Facilitated up to 10 one-on-one appointments for Ohio State graduate and professional students to create individualized success plans based on identification of students' strengths, goals, and barriers to success resulting in students passing exams, maintaining enrollment, and gaining academic self-efficacy.
- **Staff Development.** Developed and facilitated professional development for undergraduate leadership team of 6 on how to support students with disabilities such as attention deficit hyperactivity disorder (ADHD).

The Ohio State University, University Center for the Advancement of Teaching

Columbus, OH

Graduate Instructional Consultant

2015 – 2017

- **Instructional Consulting.** Provided guidance to graduate student instructors in all departments on their teaching including course design, teaching techniques, and identification of barriers to student success.
- **New Teacher Orientation.** Facilitated introduction to teaching and learning sessions for up to 50 graduate student instructors to prepare them to effectively teach the students of Ohio State.
- **Student Advocacy.** Led campus initiatives promoting advocacy for students at Ohio State including suicide prevention and staff training on student motivation and sense of belonging.

The Ohio State University, Dennis Learning Center

Columbus, OH

Outreach Specialist

2014 – 2015

- **Student Orientation.** Created and delivered sessions during new student orientation to introduce students and parents to the center and its services and trained undergraduate student leaders to facilitate sessions using standardized orientation curriculum.
- **Workshops.** Redesigned all extant center workshops on student success including stress management, memory strategies, study groups, test-taking, and time management. In addition, facilitated redesigned workshops for a variety of Ohio State students, staff, and instructors including transfer students.
- **Staff Development.** Designed and facilitated workshops on how to develop student motivation to campus staff and faculty leading to new and sustained relationships between the center and other university departments.

Lee College, Counseling Center

Baytown, TX

Higher Education Intern

2010

- **Student Orientation.** Redesigned and facilitated new student orientation curriculum for all incoming students.
- **Academic Counseling.** Co-facilitated and shadowed academic counselors in conducting academic counseling sessions including guiding students in major and course selection at a community college.

TEACHING EXPERIENCE

The Ohio State University, Dennis Learning Center

Columbus, OH

Student Success Course Instructor

2013 – 2015

- **Learning Strategies Instruction.** Taught students to become better self-regulated learners through study skills instruction and activities related to motivation, memorization, note- and test-taking, and time management.
- **Individual Student Counseling.** Counseled students outside of class with personal, emotional, social, and academic issues and made appropriate referrals when necessary.
- **Instructor Leadership.** Served as Lead Instructor for 9 other graduate instructors, a role that included providing individualized observation and growth plans for each instructor, designing and distributing classroom lesson plans and
