Clarification for Group Football Tickets for Clubs and Societies

Who is eligible to apply for/or obtain tickets through your Club/Society allocation?

- Alumni and friends who are a part of your alumni group.

Why are alumni limited to six tickets?

The goal of club/society allocations is to maximize the opportunity for the greatest number of alumni to attend the homecoming event (societies) and to recognize volunteers (clubs). Thus, the policy of only one application per household and/or only **six** tickets per household can be allocated.

What is the priority?

Societies: It is recommended specified class reunion years who are active members of the Association and your Society come first, followed by those alumni who meet the criteria and wish to purchase tickets.

Clubs: It is recommend offering your allocation for officers, board members and then committee chairs who are active members of the Association and your Club come first, followed by those alumni who meet the criteria and wish to purchase tickets.

What do we do with extra tickets after our deadline (Societies)?

If you have extra tickets after your deadline, please utilize the following procedure; in order:

1. Check with Julie to see if any other groups need tickets
2. Write or email your registered attendees to see if anyone would like additional tickets
3. Fill reservations of those alumni who do not meet the criteria
4. Check with current faculty, staff and students from your special interest group

What do we do with extra tickets after our deadline (Clubs)?

Now that club members will individually purchase their group allotment tickets online through the Athletic Ticket Office, any tickets that are not purchased by the specified deadline will return to the general alumni ticket pool, and not be open to purchase by non-alumni club members.

Can we auction off a pair of tickets from our allotment?

No. The tickets you receive cannot be used to raise money for your club/society. We understand that this might be an easy way to raise money for your club/society scholarship fund, but the block of tickets that you receive are to enhance your event.

What tickets can we raffle or auction?

Any personal tickets that alumni, faculty or staff donate; or your Club/Society Presidents Club or Buckeye Club tickets can be used in silent auctions or raffles. To maximize your potential, raffle or auction off the opportunity to purchase the tickets at face value.

Special Note – **When it comes to questions about football tickets, never assume**, always ask. We are prepared and ready to answer your questions. You can reach your REO or Julie at 614-292-2371 or 1-800-862-5827.

Home Games – All tickets requested for home games will be honored for group allotment (no confirmation required)

Away Games - All Away game ticket requests need to be approved by athletics
