

ALUMNI FOOTBALL TICKET PROCESS

STEP-BY-STEP:

STEP 1: CONFIRM ELIGIBILITY

To find out if you are eligible for the alumni donor early window, check your giving history in [My Account](#) from 2024 — a donation of any amount in 2024 qualifies you. You can also reach out to the Ohio State Engagement Center with any questions at 614-292-2281!

STEP 2: UPDATE CONTACT INFORMATION

Confirm that your contact information is up to date with both the Alumni Association and the Athletics Ticket Office to ensure you receive all communications about your tickets.

Alumni Association:

- Call 614-292-2281 or email engagementcenter@osu.edu
- Go to My Account

Athletics Ticket Office:

- Log in to your [Ohio State Buckeyes Account](#) or email athletic.tix@osu.edu

STEP 3: WATCH FOR MORE INFORMATION

Information on how many tickets you can purchase and for which games will be posted here: [Buckeye Football Tickets](#)

- Save-the-date information regarding the process will typically go out to qualified alumni around the beginning of May (exact date TBD).
- If you do not receive the save-the-date email, reach out to the Athletics Ticket Office to ensure you receive future communications.

STEP 4: CONFIRM PERSONALIZED CODE

Each qualified alum will receive a personalized Ticketmaster code in early June. Use this code to join the queue on Ticketmaster and purchase tickets.

If you do not receive your personal code, reach out to the Athletics Ticket Office at 1-800-GOBUCKS.

STEP 5: PURCHASE TICKETS

Be sure to confirm you have your personal code before your window opens. If you do not have a code, contact the Athletics Ticket Office (1-800-GOBUCKS) before you log in. Keep in mind that lines may be busy, so allow as much time as possible before your window is open.

When your window opens, go to [Ticketmaster](#). Select from the available games and you will be prompted to enter your personal code.

WHAT TO KNOW:

- Eligibility for the early window is for Ohio State alumni donors and life members.
- The early access window allows you to purchase single game tickets before the general alumni window opens and before the public general sale.
- Your eligibility allows you to access single-game tickets to home football games — there is no benefit for away games or post-season games.
- Ticket cost is face value.
- All details surrounding the process are subject to change each year.
