Description of proposed program:

1. How does this proposal meet the mission and/or objectives of Women & Philanthropy?
2. What is the need for or the problem addressed by this grant, and how was this need identified?
3. Are you seeking additional funding from other sources? (Funding opportunities through Women & Philanthropy will not be jeopardized by additional sources of financial support.)
4. It is very helpful if you can describe the impact of your program, if funded. Specifically, it helps if you can quantify the number of people who will be impacted, short and long term, or other such quantifiable measurements.
5. If your project is funded, how will Women & Philanthropy be recognized as playing a role in the success/completion of your project?
6. How will you measure the success of your project if funded?
(You will be asked to provide proposal results, if funded.)
